PROJECT INFORMATION SESSION**

The SBE Program is a race and gender neutral program which provides PRIME contracting opportunities to small businesses on federally-aided projects with MDOT State Highway Administration (MDOT SHA), MDOT Maryland Transit Administration (MDOT MTA), and MDOT Maryland Aviation Administration (MDOT MAA). Only SBE certified firms can bid on these projects.

MDOT's Office of Small and Minority Business Policy (OSMBP) is hosting two **FREE** SBE Application Assistance Workshops on January 21st and July 21st from 9am-12pm at MDOT Headquarters, located at 7201 Corporate Center Drive Hanover, MD 21076. These workshops explain program eligibility standards, benefits of certification, and the application process. You will also hear directly from agency personnel about upcoming SBE -designated contracts.

You will also be able to meet with certification officers one-on-one to ask questions that relate specifically to your business.
